OCA 86 - 0972

The Honorable Dave Durenberger
Chairman
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

Enclosed is a copy of a revision to [redacted] a regulation
of the Central Intelligence Agency governing travel
allowances. [redacted]

Currently, the operation of the applicable statutory "caps" on per diem rates penalizes Agency employees whose duties require them, in the three instances set forth in the revision, to obtain lodging at "high cost" establishments in "high cost" areas. The revision eases this situation by permitting the payment, in these instances, of a higher reimbursement rate. A similar change has been made by the Department of State to its regulations in this area [redacted]

As the revision is promulgated, inter alia, under the authority of Section 4 (b) of the Central Intelligence Agency Act of 1949, notice of the promulgation is hereby given in accordance with that Section.
